3KVA	97 db	40kg
5KVA	97 db	64kg

Safety Information:

- Noise Level - wear ear defenders if less than 5 meters away

Fastline Fred's Tips:

- Always position the exhaust from burning other items.
- Always switch of the fuel when not in use.
- To reduce noise, always position the exhaust away from neighbours, or where you are working.
- Never start or stop a generator when its on load.
- In case of potential breakdown call the Fastline Control Centre – 0845 450 2045
