

DISC-CUTTER

Description:

The 12" Disc-cutter can be used for cutting metal or stone, depending on blade. When used in conjunction with the rail mounting arm, the 14" disc-cutter cuts rail to length, leaving a clean, square face.

Key Specifications:

- 12 & 14 inch blade
- 2-stroke petrol powered
- 13.6kg

Safety Information:

- Noise Level – 118 db (wear ear defenders if less than 30 meters away)

Operators Manual:

Fastline Fred's Tips:

- Always remove any fuel cans before operating the saw.
- Run the machine for a minute before using.
- Keep the couplings clean when not in use.
- In case of breakdown call the Fastline Control Centre – 0845 450 2045
