

FUME EXTRACTOR

Description:

Dual purpose extractor fan suitable for the removal of fumes or airborne dust. The extractor can alternatively be used as a fresh air blower.

Key Specifications:

- 110V
- Approximate weight 15.0kg

Fastline Fred's Tips:

- Always position the suction hose to maximize extraction, and always position extraction hose before use.
- In case of breakdown call the Fastline Control Centre – 0845 450 2045.
