

LIFTING BEAMS – WACKER BEAM, 2T, 4T, 7.5M, 24' AND 30' BEAMS

Description:

Various size lifting beams and attachments for lifting and positioning rail and sleepers.

- Please contact your local depot for further information.

Fastline Fred's Tips:

- Make sure the right attachments are on the beam for the sleepers to be lifted.
- The beam is not to be used if any clips are damaged.
- Never use if the bull tag is out of date.
- In case of breakdown call the Fastline Control Centre – 0845 450 2045
